Voices from the participants:

Wong Ping Fong, BEng '79

I had the privilege to get the chance to visit the Philippines as an exchange student 20 years ago. I am very grateful to have been given the opportunity to return to Philippines to see the development of Philippine industries, tourism and the social scene. It has been a very inspiring visit and I hope to visit again soon.

Jake Liang, BEng '19

This trip has been absolutely amazing! I have learned so much and met so many interesting people. The culture and the history are very rich and diverse. I hope to come back again soon to explore more.

Here’s what the participants have to say:

The participants were asked to comment on their trip to the Philippines and share their thoughts and experiences. Their comments reflect their appreciation of the cultural and historical richness of the country, as well as the opportunity to meet new friends and learn about the local industries. The trip was described as an eye-opening experience and a chance to gain a deeper understanding of the country and its people.
