4. THE COMMITTEE FOR PRIVATE EDUCATION AND EDUTRUST CERTIFICATION

Committee of Private Education is part of SkillsFuture Singapore (SSG)

The Committee for Private Education (CPE) was appointed by SkillsFuture Singapore (SSG) Board in October 2016 to carry out its functions and powers relating to private education under the Private Education Act. The CPE is supported by a team of dedicated staff from SSG to regulate the sector, provide student services, consumer education and facilitate capability development efforts to uplift standards in the local private education industry.

SHATEC is registered with the Committee for Private Education as a Private Education Institution (PEI). Registration period is valid from 16 August 2022 to 15 August 2026.
(Reg.No: 198301550C).

EduTrust Certification

The EduTrust Certification Scheme (EduTrust) is a quality assurance scheme administered by CPE for PEIs in Singapore. It aims to distinguish private schools that are able to consistently maintain a high standard of quality in the overall provision of education services and make continual improvements that lead to positive student outcomes.

SHATEC has attained the EduTrust Award, valid from 03 April 2022 to 02 April 2026. (Cert. No: EDU-2-2051)

PEI-Student Contract

CPE requires all PEIs and their students to sign a student contract for any course that is longer than two months. The student contract sets out the contractual commitments of both the student and the private school. Once signed, both parties will be contractually bound to the agreed terms and conditions stated in the document. This is stipulated with the aim of enhancing the confidence of students and their parents in the quality of education in Singapore.

Upon enrolment into a programme, SHATEC students will receive an official letter of offer and a copy of the Standard PEI-Student Contract. In this set of documents, students will be informed of the terms and conditions of acceptance and the amount of fees they are required to pay to secure the placement offered. The contract lays out the important terms and conditions governing the relationship between the student and SHATEC. SHATEC will honour all terms and conditions spelt out in the contract and in all communication materials.

5. STUDENT PROTECTION

Fee Protection Scheme

EduTrust - certified private education institutions are required to adopt the Fee Protection Scheme to provide full protection to all fees paid by their students. All fees refer to all monies paid by the students to be enrolled in a private education institution, excluding the course application fee, agent commission fee (if applicable), miscellaneous fees (non-compulsory and non-standard fee paid only when necessary or where applicable, for example, the referral exam fee or charges for credit card payment etc.) and GST.

The Fee Protection Scheme (FPS) is applicable to Singaporean students as well as International students and serves to protect students' fees in the event a private education institution is unable to continue operating due to insolvency, and/or regulatory closure. The Fee Protection Scheme also protects students if the private education institution fails to pay penalties or return fees to the students arising from judgement made against it by the Singapore courts.

SHATEC adopts the Fee Protection Scheme provided by Howden Insurance Brokers (S.) Pte. Limited. The actual premium amount to be paid for both international and local students will be calculated from the day the first instalment payment is made by the student.
