Congratulatory Messages

Our Heartiest Congratulations to the Class of 2020!

Ms Kwee Wei-Lin
President
Singapore Hotel Association

Mr Loh Lik Peng
Chairman
SHATEC

Warmest Congratulations to Class of 2020!

The successful culmination of your education at SHATEC comes at a crucial time as we continue to see mass developments unfold in this global pandemic. As international arrivals dipped to unprecedented levels we must break new ground with sustainable initiatives and recalibrate ourselves for the new normal.

Amid disruptions, tourism and travel businesses have quickly adapted to new guidelines and redesigned visitor offerings, from hotels to curated tours and attractions to MICE and leisure. In undertaking rigorous protocols such as adhering to Safe Management Measures and employing seamless creative solutions such as contactless technology and cleaning robots, we turn adversity into opportunity.

The SHATEC education upholds its own iconic brand of hospitality excellence. As a graduate of one of the most recognised hospitality institutions in this region, we look forward to your contributions and welcome you in joining us. As you define your emergence in the vibrant and reshaped future of the professional industry, the Singapore story shall continue to unravel in the spirit of our resilient hospitality and tourism sector.

On behalf of the Singapore Hotel Association, I wish you the very best in your remarkable journey ahead!

I will like to express my heartiest congratulations to you on your achievements and accomplishments in this 2020 Graduation! We are proud to induct you into our ranks of SHATEC alumni! I hope your education has been filled with lasting fond memories, and you enter the next exciting life stage moored in lifetime values that will attract a world of possibilities.

Due to the spread of the novel coronavirus, we made the difficult decision to cancel this year's graduation ceremony. In its place, we have organised a series of online celebratory activities. While we may not be able to gather in person for commencement, this does not diminish the great accomplishments of our graduates. This graduation marks a reflection of you: your positivity, your academic progress, your ambitions for the future. Not even a global pandemic is going to keep you from the path of continuous learning. As we anticipate obstacles to come in the revival of our industry, you will have the opportunity to acquire valuable lessons faster than those before you. Through resilience and persistence, you grow through these challenges, and may even surprise yourself with what you can achieve!

I encourage you to embrace opportunities, there will be brighter days ahead. Imagine the possibilities before you and pursue that future. I hope that wherever your post-graduation journey takes you, you will be inspired and be ready – future ready.

It is our greatest satisfaction to see you rewrite what is possible. Congratulations!
